Members of the Dana Point City Council:

Lisa Bartlett, Mayor  
Steven Weinberg, Mayor Pro Tem  
Scott Schoeffel,  
Bill Brough  
Carlos Olvera

I apologize for not attending tonight in person, but strep throat is keeping me home because I don't want to share!

Congratulations to Mayor Bartlett for her election as Fifth District Supervisor, and to Bill Brough for his election to the State Assembly.

When you last considered the Harbor Revitalization Plan, I spoke and asked you to do the right thing. However, I should have been more specific. You voted to pass the entire plan, knowing that there are four buildings that are higher than town zoning allows. Four buildings at 57 – 60 ft. high.

Passing this tonight without a second look will set a precedent for Dana Point that no one wants. Please vote carefully.

Sincerely,
