RE: Support of Single-use Bag Ban & Polystyrene Ban Ordinances

Dear Mayor Anderson and City Council Members:

On behalf of Surfrider Foundation, our South Orange County Chapter, with 3,000 members locally and our over 30,000 members in the state of California, we stand in strong support of the proposed Single-use Bag Ban Ordinance to ban plastic carryout bags at all retail outlets. Surfrider Foundation also wholeheartedly supports Dana Point's proposed ban on polystyrene take out containers. We urge your support on these critical measures that will help reduce the amount of single-use plastics that end up in our stormdrains, on our beaches and in our oceans.

Attached please find thousands of persons who have signed personal pledges to reduce plastics pollution. Also please find many documents produced by our hundreds of volunteers, including our 10+ Surfrider High School Clubs at local beaches including Doheny State Beach, Salt Creek, Aliso Creek, etc. which demonstrates the havoc Styrofoam, plastic bottles and caps, and especially plastic pieces – usually from single use bags, found and counted at our beach cleans. Typically you will see that the #1 offender is Styrofoam pieces, and close behind is bags and plastic pieces!

Thank you for your ongoing leadership on this critical environmental issue and passing these two initiatives at your meeting this Tuesday February 7, 2012!

Sincerely,

A handwritten signature in black ink that reads "Rick Erkeneff".

Hi Denise -

Sorry for taking so long these AP classes are killing me. Here is the data collected from the Doheny Beach Clean-up on April 16. Thanks for coming out! I hope we get to see the German video that they shot!

We have a clean-up planned for May 14th at Doheny again. Is there anything we need to fill out or send in to notify Doheny Beach?? Also, if we could use the bags again that would be great if not no problem :)

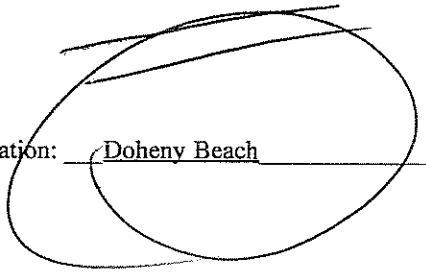

BTW, I can make it to the conference on May 15th with Jeannelle. Is there anything we need to prepare for it or any dates for events we should be aware about in the future??

Thanks, Lauren

Hi Denise,

Things are going well. Being a part of Surfrider has helped my school so much, thanks for letting me be a part of this.

I am resending these to you. Let me know if you get them.

Thanks,
