Subject: Support the Plastic Bag Ban

Dear Mayor Pro Tem Weinberg,

I encourage you to support the proposed plastic bag ban. 25 California cities now have plastic bag bans according to the website Earth911.com (<http://earth911.com/news/2012/01/18/san-luis-obispo-california-plastic-bag-ban/>). In July of 2011, the California Supreme Court upheld the right of cities to ban plastic bags, ruling that a full-scale environmental review may not always be needed to prohibit stores from giving bags to their customers.

A resource designed for legislative bodies that you might find useful is <http://plasticbaglaws.org/>.

Thank you for listening to my opinion and for all that you have done for Dana Point.

Regards,

Gwen Drenick
