Subject: Re: Polystyrene Food service Issue

Dear Honorable Members of the Dana Point City Council,

Please find attached an addendum letter from the American Chemistry Council commenting on the polystyrene food service issue. This is a different letter than what was included in your agenda packet and addresses a few incorrect claims in the staff report.

Thank you for considering our views, and please let me know if you have any immediate questions.

Sincerely,

Ryan Kenny
Manager, State Affairs
American Chemistry Council
