NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT a public hearing will be held by the Planning Commission of the City of Dana Point to consider the following:

Local Coastal Program Amendment LCPA07-02, General Plan Amendment GPA07-02, Coastal Development Permit CDP04-23(I) and Site Development Permit SDP04-69(I) for the Headlands Development and Conservation Plan:

In accordance with Section 9.61.080 of the Dana Point Zoning Code, the applicant is requesting an amendments to the approved Local Coastal Program, General Plan Amendment, Coastal Development Permit and Site Development Permit as part of the Headlands Development and Conservation Plan. The proposed Amendments would eliminate a 150 foot proposed stairway, otherwise known as the "Mid-Strand Vista Park Accessway" and allow for the addition of approximately 800 linear feet of new public trails. The applicant is proposing to delete this stairway due to technical feasibility issues and its proximity to the County of Orange public beach parking lot. However, the Central Strand Beach Accessway remains as originally proposed. The new public trails will be situated within Harbor Point Park and Hilltop Park. These extensions were originally included in the City approved HDGP and analyzed in the project Final EIR. The proposed links to the trail system is intended to increase public access, create safer trails, and reduce potential impacts to natural resources.
