

ELEPHANT PARADE®

OPENING CEREMONIES

Be one of the first to welcome the American premiere of Elephant Parade at Doheny State Beach in Dana Point.

Discover art at-large on the shores of Southern California with dozens of hand-painted, life-size baby elephant sculptures on display at Doheny State Beach. These colossal creative masterpieces were colorfully decorated by acclaimed artists, iconic celebrities and local talent, all to save a species now threatened with extinction.

The open-air exhibition is open to the public all weekend. And be sure to mark your calendars for these special events.
