Date: June 18, 2014  
Time: 3:00 PM  
Location: City Council Chambers

**BACKGROUND**

The City was approached by residents on Chula Vista north of Selva with concerns of a growing parking problem on the street. The Subcommittee held a Public Hearing on December 18<sup>th</sup> to discuss this topic and authorized the implementation of a Preferential Parking District (District) on Chula Vista north of Selva.

Since that time, the Subcommittee received a letter with concerns about the District from the Dana Light Homeowners Association. Further, several residents in the southerly portion of Chula Vista have also voiced concerns about the District and spillover parking into their neighborhood. At their April 16<sup>th</sup> meeting, the Subcommittee directed staff to reopen the Public Hearing on this topic and allow further discussion/consideration.

The Public Hearing will be held at the abovementioned date and time to discuss the District.
