Please join us for a interactive learning experience with the
Orange County Bird of Prey Center!

You will be able to see live raptors up close and personal!

"The OC Bird of Prey Center is a volunteer organization in
Orange County, CA, dedicated to treating and rehabilitating
injured raptors and returning them to the wild."

These animals play an important role within our ecosystem!
This is an exciting educational opportunity for both kids and
adults that you will not want to miss!
