

SCIENCE NIGHT!

“Recovering the Southern California Steelhead Trout”

Thursday, June 8th at 6:30pm
at the Dana Point Community Center
(34052 Del Obispo St, Dana Point, CA 92629)

Photo: Timothy Knepp, US Fish and Wildlife Service

Photo: National Park Service

Please join us for a presentation from CalTrout Inc.,
Coalition Coordinator: Sandra Jacobson!

Sandra has been working with the South Coast Steelhead Coalition participants to recover endangered steelhead and restore their habitats within Southern California.

With a doctorate in genetics and a penchant toward science-based conservation, she will talk about several recovery projects to remove fish barriers throughout Orange County.

This will be a great opportunity to understand the importance of natural resource management within San Juan Creek Watershed!
