

- 1) need a larger public parking lot (old Bus Dist area) free and it is walkable
- 2.) some parking in front of <sup>some</sup> shops for quick pick-ups of goods.

- Agree

- need better crosswalks to be able to park & cross.

CONCERN:

VIA SANTA ROSA is  
Routinely Populated for  
parking violations on  
SCHEDULED SWEEPSTAKE DAYS.

CONCERN:

Street Sweeping is  
currently in the way  
on the North side of  
Santa Rosa and Friday  
on the South side. Combining  
to one day would help  
a bit.

MATT

CONCERN:

TRASH PICKUP is  
very difficult due to  
the fact one cannot  
place cans on the  
curbs.

MATT

NO ROUNDABOUTS.

NO NARROWING of Johnny Park Rd.

KEEP existing stop lights.

KEEP existing center lane for  
left turn on Johnny Park Rd.

& merging traffic

(from Victoria Blvd to SJC  
line)

NO ROUNDABOUTS.

NO NARROWING of Johnny Pk Rd.

KEEP existing STOP LITES.

KEEP existing CENTER LANE FOR  
LEFT TURN ON Johnny Pk Rd.

& MERGING TRAFFIC

(FROM VICTORIA BLVD to SJC  
LINE)

All concern is  
that the city would  
put a Round about  
on or near Johnny  
Pk Rd.

This would make  
lefts make no sense  
with trying to go to  
Cost Co - to pass  
on that road.  
There is many trucks  
traveling to those  
businesses & it is  
already very busy

My concern is  
that the city would  
put a Round about  
on or near Doherty  
Park Road.

This would make  
lanes more narrow  
while trying to go to  
Cost Co + businesses  
on that Road.

There is many trucks  
+ traveling to those  
businesses + it is  
already very busy

NO ROUNDABOUTS.

NO NARROWING of Johnny Park Rd.

Keep existing stop lights.

Keep existing center lane for  
left turn on Johnny Park Rd.

← merging traffic  
(from Victoria Blvd to SSC  
line)

This concern is  
that the city would  
put a round about  
at the Johnny  
Park Road.  
  
This would make  
lefts. more narrow  
while trying to go to  
Cost Co + business  
on that Road.  
There's many trucks  
traveling to those  
businesses + it is  
already very busy.

1) need a larger public parking lot (old Pass Dist area) free and it is walkable

2) some parking in front of <sup>some</sup> shops for quick pick-ups of goods.

- Agree

- need better crosswalks  
to be able to park & cross.

Concern:  
Via Santa Rosa is  
rarely reported for  
parking violations on  
street sweep days.  
  
Location:  
Street Sweeping is  
currently on this way  
on the first side of  
Santa Rosa and Friday  
on the south side. Comments  
to one way would help  
b??

Concern:  
Trash pickup is  
very difficult due to  
the fact one cannot  
place cans on the  
curb.  
  
Matti

- 1) Copy Dist. from Lot - leave from Dist for parking that is very walkable to all of Copy Dist.
- 2) Some short term parking very close to business where just quick pick-up is needed w.r.t. (any business that you visit)

D.V.  
Dorwin

- Beach Access From Doherty Village ✓

- ↳ Las Vegas
- ↳ Safe Access → For Families

Walking/Riding Access From THE PACISROADS

BEACH ACCESS is currently very UNSAFE (7+) highly trafficked street

CROSSINGS. Accident waiting to happen.

★ BEACH ACCESS IS CRUCIAL

- Would like to have a Parking Problem in D.V.

- Alternative Parking Structures

- ↳ Technologies

- Look at Subterranean Parking

- ↳ Provide Incentives for this Design
- ↳ Expand or incentivize adding Parking Above Main Road

- Parking @ the end of Los Vegas
- Ped. Access From across Catrans.

Opportunity:  
The street parking area  
is narrow, full on 2100  
feet by street  
There's two lots  
This area should be  
shown by the police,  
and probably a  
person could help  
to talk for street  
parking near the street.

- Beach access  
from Denver Village
- Sepulveda Street  
Parking
- Mixed use opportunities
- Mix of parking
- keep it free
- NO enforcement

Conclusion:

Via SANTA ROSA is  
Rarely patrolled for  
parking violations on  
SOME SUNDAY DAYS.

Conclusion:

Street Sweeping is  
currently in progress  
on the north side of  
Santa Rosa and Friday  
on the south side. Combining  
to one day would help  
biz.

MAT

Conclusion:

TRASH PICKUP is  
very difficult due to  
the fact one cannot  
place cans on the  
curb.
