Please join us for a presentation from retired Doheny State Beach Supervising Ranger, Jim Serpa!

Jim has been a wealth of knowledge on sharks throughout the City of Dana Point for more than twenty years!

Jim Serpa will show you various species found in our local area, discuss recent Great White sightings at Orange County beaches, and give you an understanding on the importance of sharks in our ocean. This will be fun for the whole family and a great opportunity to see several shark specimen up close!
