Sergeant Clay Cranford — “Parenting in a Digital World”

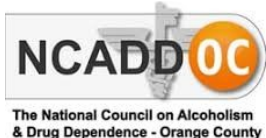

Vaping and marijuana are **BIG BUSINESS** and our kids are the target. The drug culture is perpetuated by social media as well as **EASY ONLINE ACCESS** to vape devices, “vape juice”, and other liquified drugs. Whether you are a parent, relative, or neighbor, we invite you to learn about this **FAST GROWING** trend and what you can do to help our children stay drug-free.
