

## **“The Graduates”**

### **ARTIST**

Christina Bartel

### **DESCRIPTION**

“The Graduates” is a piece based on a fun tradition of Dana Hills High School seniors taking one last ride from Ocean Ranch to their graduation ceremony at the high school via scooters and skateboards. It is a tradition Christina hopes will never disappear. Two of her own children had the opportunity to participate in the tradition, and they loved it! It is another example of uniqueness within our community.

### **ABOUT THE ARTIST**

Christina Bartel is a longtime resident of Dana Point. She has owned and operated two art galleries that included artwork utilizing charcoal and collages. Many of these prints were sold to various shops and galleries.
