

“TREASURED VIEWS OF DANA POINT”

ARTIST

Shanna Counts

DESCRIPTION

The artwork submitted, “Treasured Views of Dana Point” was created on Procreate with a gouache effect for a realistic and detailed, yet dreamy depiction of some of Dana Point’s most treasured views. This art is dedicated to her grandmother.

ABOUT THE ARTIST

Shanna was raised in the Aliso Viejo/Laguna Hills area and has been working in Dana Point as an esthetician and permanent makeup artist since 2018. She recently made Dana Point home in June 2022, right across the street from her favorite coffee shop, JC Beans. Over the past few years, she has grown to fall in love with this little town. Shanna has been drawing and painting ever since she could pick up a pencil and her mother took notice and soon enrolled her in art classes. Although life circumstances have pulled her away from art from time to time, her creativity is always kept aflame in her heart.
