WATER UTILITY NOTIFICATION			

Applicant: _____ Permit # _____ Date: _____

Job Address: _____

Project Description: _____

Your project has elements that require the **notification** and **acknowledgement** of the Water Purveyor. This may also include any water district in-house or third-party plan review and approval(s), and/or confirmation of fee payments.

INSTRUCTIONS:

Submit this form to the appropriate water district for review and approval. Some elements consist of a notification acknowledgement and some elements may require additional review(s) by the district. This form may be submitted to the district via e-mail, fax, regular mail, in person, or other methods as deemed acceptable by the district. The approved and signed form may be returned to the City via e-mail or fax from the water district only. For the applicant to hand carry the approved form back to the City, the district must notify the City of Dana Point permit technician of this method and verify the approval.

The items checked below are applicable to your project:

- Construction demolition requiring capping, relocation and/or removal of the water meter or service.
- Sewer cap of the existing sewer connection.
- Construction water service (temporary) meter or Jumper.
- Will serve new residential service. Requires a will serve letter.
- Will serve new commercial service. Requires a will serve letter.
- Grease interceptor or sand separator. Two copies of the stamped & approved plans are required by the City.
- Water service upgrade.
- Sewer connection approval and inspection release (sewer lateral repairs or septic tank conversions)
- Other connections: _____
