

Salt Creek Grille celebrates its Second Annual Donate Life Day **Sunday, March 29th** with a portion of proceeds that day donated to help increase lifesaving organ and tissue donation. This year Salt Creek Grille kicks off the state's inaugural Donor Drive event for Donate Life Month and will provide an opportunity for people to sign up on the California Donate Life Registry.

Salt Creek Grille also has proudly served as the location for several very special first-time meetings between donor families and recipients, including co-founder's Pete Truxaw's own nephew Chris who received a heart 12 years ago.

Join us for Salt Creek Grille's award-winning brunch, lunch, or dinner with your family or friends. Enjoy fresh, delectable, creative and affordable American cuisine in a fabulous setting while supporting a phenomenal cause!

All five Salt Creek Grille locations are participating, including Dana Point, Valencia and El Segundo in California, and the Rumson and Princeton locations in New Jersey.
