

Dear Dana Point Destiny Member,

As we discussed at our initial meeting in June, I have attached a document that contains a number of ideas to develop business in connection with the Dana Point Summer Concert Series. I came up with these ideas as starting points to foster the group's discussion; they are by no means intended to be completed "action items". Nor is the list intended to be exhaustive, as I am certain all of you can develop many more ideas than the ones I have offered to spur our conversation.

I am hoping we can schedule our next Dana Point Destiny meeting on either July 27 or July 28, as I plan to be out of town next week. The "after business hours" meeting time seemed to work well for everybody so I would suggest we keep that time slot going forward. Would you please let my assistant, Jackie Littler (jlittler@danapoint.org), know your availability to meet in the evening on either July 27 or July 28?

Thank you again for your participation in Dana Point Destiny. I look forward to meeting with all of you again soon.

Sincerely,

J. Scott Schoeffel
