

Come see our featured animals for the month of January!

SASHA

SASHA (5 yrs old) I'm a female, gray Domestic Shorthair. I'm a bit shy at first, but very affectionate enjoy being in laps and would prefer being the only cat in your home to give you all my love.

COAL

COAL (1 yr old) I am a male, black Domestic Longhair. I'm active and playful and crave attention. I need a home with a patient and experience owner who can teach me more about what a real home is like!

OBSIDIAN

OBSIDIAN (1.5 yrs old) I'm a spayed female, black Satin mix. I'm a wonderful, mellow rabbit who loves playing with kids and adults. I've got excellent litter box habits too!

Can you give us a wonderful, loving home?
